Church contributions have assisted Bro. Kerry Duke

It has begun! The printing of 10,000 copies of the book *How God Speaks in Swahili* started today. Brother Shadrack Msambaza is supervising this project all along the way in Tanzania. This needed material will go into the hands of readers not only in Tanzania, but also in the surrounding countries of Kenya, Uganda, Congo, and Malawi. We are thankful to God for this opportunity to teach by way of the printed page. The generous brothers and sisters at West End, Swallows, Chapel, and Free Communion congregations throughout middle TN opened their hands wide and cheerfully gave to make this possible! If you would like to help donate to this work, contributions are being donated through LeAnn's Hope Memorial Fund. To give please visit: <https://linktr.ee/tennesseebiblecollege>
